

24 Hour Emergency Services

Immediate response: ATP Restoration is ready to respond 24/7/365 to secure your **residential or commercial** property serving as protection from further damage and to keep unwanted trespassers from entering the structure. **Emergency Services include but not limited to:**

- **Fire and smoke damage:** Boarding up and securing open and exposed areas of the structure. Tarping of exposed areas of the roof.
- **Water Extraction:** Water damage must be addressed immediately. Addressing the damage and removing excess water as soon as possible can drastically reduce the amount of damage to the structure. Our IICRC Certified crews will remove the excess water and begin the drying process immediately using the proper equipment and continuously monitor the drying process.
- **Vehicle Strike:** Securing the structure and boarding up until repairs can be made.
- **Plumbing Winterization:** Fully winterizing the water lines of the structure after a loss to eliminate possibility of further damage from a pipe burst.
- **Structural/Shoring Up:** After major damage, if necessary, ATP Restoration can shore up the structure to prevent further damage and make structure safer to be in.
- **Fencing:** Fencing around the structure to prevent unauthorized personnel from entering the work area.
